Notification Date: November 3, 2023

PCN Number: PCN231101

PCN Title: Manufacturing Site Alternate – Testing

Product Identification:

The following released to sales part numbers will be impacted by this change:

See Appendix I

Description of Change:

EPC announces the qualification of Ardentec factory as an AEC testing site. Ardentec has IATF 16949 Certification. Ardentec is an existing test site for other existing qualified EPC devices. Ardentec is now approved as testing site for the released to sales part numbers identified in Appendix I. There will be no change in manufacturing technology or to the package dimensions. This change does not affect the form, fit, function of the product as defined in the datasheet.

Successful qualification testing of the Ardentec facility was performed to ensure product quality and reliability requirements are met or exceeded.

Ardentec will begin production of EPC products in Appendix I after customer acceptance of PCN. During and following the transition period customers may receive shipments from any approved EPC assembly site.
